

# DEVELOPMENT GUIDANCE GROUP

## Aim

To hold the focus at a time of significant school development, and to energise, motivate and coach the Project Leaders. We also aim to be a visible link to resources for those who want to make improvements.

## Specific objectives

### **Regarding the Projects**

- To liaise regularly with our assigned project leaders
- To assist groups in setting work priorities, where necessary
- To provide a reassuring overview to all project leaders
- To co-ordinate the project work, addressing overlaps or conflicting interests
- To assist groups in making efficient and effective progress

### **Regarding the School Community**

- To maintain an open door to suggestions from individuals within our community
- To integrate further ideas into the project groups, or foster relevant new groups
- To keep school community regularly informed through:
  - Newsletters
  - Website
  - Specific information boards

## Members

Michael Rose • Fynn Stirn • Ross Langford • Oliver Garside • Ellie Rose  
Each assigned to specific projects (see separate sheet)

## Meetings

Aiming to meet monthly. Next meeting 7th May.

## Ideas List

- A physical presence within the school
- Suggestions Box
- 'Open' hours on a Wednesday

## Resources Required

Time and energy of DG group members  
Support of College and Council  
Support of Project Leaders and their members

## Links to Other Groups

- Linked to all project groups specifically
- Linked closely with 'Nurturing the School Community'
- Reporting directly to College and Council.

## Community Involvement

- Wide open doors to any individual suggestion or input into ideas development.
